Situated within a cul-de-sac on a highly sought-after modern development in Burton Latimer, this three bedroom semi-detached property enjoys the rare advantage of overlooking attractive green space to the front, offering a pleasant open outlook seldom found with newer build homes.

Upon entering the property, you are welcomed into the entrance hallway which provides access to the ground floor accommodation. To the left is the convenient ground floor cloakroom, fitted with a low level WC and hand wash basin, while to the right is the bay-fronted kitchen. The kitchen offers a range of base level and wall mounted storage units, ample work surface space, and plumbing for white goods. A further internal door connects through to the lounge, creating a practical and flowing layout ideal for modern living. Positioned to the rear of the property, the spacious lounge provides plenty of room for both seating and dining furniture. The room benefits from a window to the side aspect and double doors opening directly onto the rear garden, allowing for excellent natural light and an ideal entertaining space. To the first floor are three well-proportioned bedrooms. The principal bedroom benefits from a useful walk-in wardrobe together with a modern three-piece ensuite comprising a low level WC, hand wash basin, and double sized shower cubicle. The remaining two bedrooms are both generous in size and enjoy views to the front aspect overlooking the green space. Completing the first floor is the family bathroom, fitted with a three-piece suite including a bath with shower over, low level WC, and hand wash basin. Externally, the rear garden has been thoughtfully designed with low maintenance in mind. A patio area extends from the lounge with a few steps leading up to the main garden, which is laid with faux turf and enclosed by fencing. Gated access leads to the driveway and single garage. Behind the garage is an additional patio seating area, currently utilised for a hot tub, but equally suited as a private entertaining or relaxation space. The garage itself has been partially converted, retaining useful storage space to the front while the rear section has been adapted into a versatile hobby room, ideal for use as a home gym, office, studio, or playroom depending on individual requirements. To the front of the property, the driveway provides off road parking for multiple vehicles.
